

**Alpine City
Urban Deer Control Committee**

**Minutes from Committee Meeting
July 14, 2016, 5:00 p.m., Alpine City Offices**

1. Meeting was called to order at 5:15 pm with the following committee members in attendance: Brian Higbee, Craig Rosvall, Melissa Holiday, Kent Partna, Paul Bennett, Excused absence: Rich Nelson and Mayor Sheldon Wimmer.
2. Minutes from the May 5th and May 19th meetings were approved.
3. The committee reviewed the results that were available so far.
4. Since the area totals needed to be combined and everyone did not have their totals available in a format that was conducive to aggregation, the committee could only discuss results by general area.
5. It was agreed that each of the area coordinators (Melissa, Brian, and Craig) would aggregate their totals by area and submit them to Melissa for total aggregation. Kent agreed to total the surveys that were in the box on 7/14 and provide those totals to Melissa.
6. The committee agreed to vote on the final recommendation at the next meeting, tentatively scheduled for the week of July 25.
7. The committee discussed briefly the presentation format.

Adjournment at 6:25pm.

Respectfully submitted by: Melissa Holiday
